

*Elaine,*

*Thank you so much for the photo of the master bath from our HomeArama entry this year!! It is fantastic. We were so excited to receive this since we have so few interior shots of our homes and even fewer professional photos. Thanks again for all you do to help promote Arcadia. Our business is such a team effort and Tile Collection could not be more of a team player. Thanks again to you and your entire staff for all that you do to make our job just a little easier.*

*Sincerely,*
